## THE MANHATTAN

Life Insurance Co.

OF NEW YORK

ASSETS - \$12,000,000.

BETTER THAN A

GOVERNMENT BOND

The MANHATTAN

period will offer the best

Nevada a full combination

and investment that is

of all and when every healthy

body man in the State should

possess—for the protection of him

self and family.

In explanation read what follows:

Suppose a social agent of the U.S. Treasury Department should call on you today and say:

The Government would like to sell you bonds for any amount between \$1,000 and \$30,000 and if it is not convenient for you to make the investment at once, we will allow you to pay for the bonds in

Ten Equal Annual Instalments.

And, suppose, in addition to this, the Government, wishing to make the most desirable investment in the world, should stipulate in the bond, not only to pay them at the end of the term, but in case of your previous death, to pay them to your family and AT THE SAME TIME RELEASE YOUR FAMILY FROM PAYING ANY FURTHER MONEY.

Would you not at once close with such an offer? And, yet this is practically what the Manhattan Life Insurance Company, of New York has done and is doing.

For a full explanation of this plan, address, giving your full name, address, occupation and age,
